08th of December 2014

Dear Sir or Madam!

Dear Porsche friends and participants of the 1st International Porsche Days 2012!

All of us remember the beautiful days in late summer 2012, when we celebrated the 60th birthday of the Porsche Clubs at the point of origin of the Porsche brand in Zell am See, Austria. If you would like to revive these memories, you should have a look at this short clip on YouTube:
