SPA & GOLF RESORT

Some places in Italy leave a lasting impression in the mind. Others on the body too. Deep in the heart of the Tuscan Maremma lies the perfect spa&golf destination, noted for its excellence. At Terme di Saturnia Spa & Golf Resort everything has been designed for your own personal luxury. Enjoy the extraordinary hot spring where sulphurous water gushes forth constantly at 37°C and 500 litres per second. The most award-winning spa in Europe offers a wide range of luxurious and regenerative treatments. Its pristine natural setting, impressive suites, fine restaurants and the championship eco-certified 18-hole golf course designed by Ronald Fream, combine to ensure this elegant Resort as an unforgettable relaxing experience.
