Le Mans 2015

Dear Porsche Club Members, Dear Porsche Friends,

When we lined up at Le Mans again after more than 16 years, we wanted more than just be there from the start. On the way to your goal you must accept occasional setbacks. But this is no reason for us to change direction, let alone give up. It encourages us to put in an even greater effort, to be more ambitious and work harder on achieving our objective. The year 2014 was only the first step towards that.

Together with the Club members we want to cross our fingers for the team of Le Mans 2015. Let us stay together when our 919 Hybrids pass over the most eligible European finish line.

Come and join us at the place that has made us

what we are today. Enjoy the legendary race on Saturday, June 13th and Sunday, June 14th, 2015. Feel goose bumps while the race starts and be part of the special atmosphere during the 24 hours. Cross your fingers by the time Le Mans will be the centre of the motor sport universe for the 83rd time and Porsche meets the challenge for another time.

The team of the Community Management takes the experience from last year and will stay as your contact partner 2015 during the race. We are looking forward to meet you in the Community Lounge (Porsche Club Lounge), which will especially and exclusively be opened for you as a Porsche Club member.

With this special Newsletter we would like to support you with more information about Le Mans, as well as the special offer for Porsche Club members. Please do not hesitate to contact us at any time for further information. Mrs. Claudia Schäffner is looking forward to respond your inquiry.
